

Canadian Karting League POWERED by HONDA

CANADIAN KARTING LEAGUE NEWSLETTER – MARCH 30

Open house a big success

The Canadian Karting League open house was a huge success. We were busy for most of the day, and had quite a few new members join us for 2010. In addition, we also had the first of the training days, and that meant we saw our first karts on the track. More training days are scheduled for this week, so call or email Russ about availability. Remember you can start practicing as soon as you have completed your training session.

...and the winner is...

Part of the open house was the Toronto Maple Leafs Platinum tickets. The draw was from all the members that had signed up so far. The lucky winner was Sandy Dunbabin on Midland. Sandy will enjoy the game we understand with

his brother-in-law. Congrats to Sandy and look for more prize giveaways as the year goes on...

Alyssa and Joe Launi do the draw for the tickets...

The “Monster” is coming...

During the open house, we received word that our new ‘monster’ was ready to ship from CMP Karts in Italy. The new twin-engined Honda Powered CMP should be here in a few weeks and we will start testing it as a future product for our advanced class drivers.
